

With the advent of decimal currency in 1865 a new series of stamps were required. To facilitate this problem, as well promote the important symbols of Newfoundland, the First Cents Issue depicted the fishery (cod), sealing (seal) and commerce (schooner), as well honoured the monarchy. Research by Sammy Whaley provides cover quantities and ekus.

pelure - thin yellowish paper; like onion skin.
 Separation by rouletting was introduced with this set.

1865-79 FIRST CENTS issue (NOVEMBER 15)
 ENGRAVED. NO WATERMARK. PERF. 12 x 12
